JUNE 2020

“A Return To Ordinary”

Maybe I should have said, “A Return To Normal”, then again, what is “normal”?

Human nature stands adamantly opposed to change and yet change is one of the most inevitable things we can count on. As we exit out of this Easter Season and return to Ordinary Time, we not only have to deal with change, but we also have to embrace a return to the Extraordinary Time of the year. I have always found it interesting that the time of year that stands outside of Festal Seasons is called Ordinary and it is anything but ordinary. It is in this wonderful season that we are called to sit at the feet of Jesus, to listen and to learn from Him about our new way of life. These teachings never get old and they always seem to have a new breath of life in them no matter how many times I hear them.

In reality, it is this Ordinary Time that gives us the reason to celebrate the great feasts of our faith. We too need to learn from the Lord just as Peter, James and John did. We need to experience Him in the day to day when things are exciting as well as when things are just normal. We need to acknowledge that the way of life we have lived needs to change and that change needs be directed towards the way of life we find in the life of Jesus Christ. Jesus came to be a living example to all of humanity. His example is that the Law of God is good for man. His example is that we can live the life we were created to live. His example is that life must be addressed in a day to day fashion with our eyes always set on Him.

I pray that as we enter this new season of life in the church, we can embrace a new season of life in our faith. One that looks a lot more like Jesus and one that expresses His love to a hurting world around us. Join me if you will on this journey and let us see how extraordinary it can be.

Peace and Blessings.
