MARCH 2024

“Time With Him”

On Ash Wednesday, I challenged those present to spend this Lenten season with the Lord. It was not a challenge of keeping things the same, rather it was one of embracing change. Change in how we see the Lord, change in how we see others, and most importantly, a change in the very essence of who we are. If we are to take up our cross and follow Him daily, we must change and we must embrace it.

The Lenten season is given to us as a gift and yet, so few people choose to open that gift and see the beauty of what is inside. You were created in the image and likeness of God. What this season offers you is the opportunity to unmask your flesh and expose the beauty of His image that He has given to you. What are you waiting for? Shed the old you and embrace the new as we journey with Jesus for 40 days in the desert. It takes hardships and sometimes death to bring forth new life.

So, I ask you all again to join me as we follow in the steps of Jesus this Lent. Allow the difficulties and hardships that come your way to help you shed the ways of the flesh and expose the inner beauty that comes from being a child of God. This will lead us all to a better place and allow us to fully embrace and celebrate the joy of Easter as we enter His presence wearing our “Garments of Praise”. May you all have a blessed and meaningful Lent!

Peace and Blessings,

Philippians 3:10-11

I want to know Christ—yes, to know the power of his resurrection and participation in his sufferings, becoming like him in his death, and so, somehow, attaining to the resurrection from the dead.

Zephaniah 3:17

The Lord your God is with you, the Mighty Warrior who saves. He will take great delight in you; in his love he will no longer rebuke you, but will rejoice over you with singing.
