JUNE 2024

“There is nothing Ordinary in Ordinary Time”

After the Season of Easter, Ordinary Time is here! In the Catholic Church, Ordinary Time is a season that's not meant to be ordinary, but rather a time for growth, reflection, and conversion. Ordinary, in this context, comes from the Latin term *ordinalis*, meaning 'numbered' or 'ruled'. This title simply refers to the ongoing and rhythmical nature of the season. Just like everyday life, there is a rhythm to the days and the weeks. And the rhythm of our lives as Christian is not plain or common. It is one of expectation and blessings!

It's a time to celebrate the life of Christ, including His teachings, parables, and miracles, and to reflect on how to live as a Christian. Ordinary Time is marked by the liturgical color green, which represents growth, life, and hope

Aware of God's presence and continuing love, the Church does not let a day go by without counting it as belonging to God.

Let us rejoice in Ordinary Time, because there is nothing ordinary about Ordinary Time.

Abundant Blessings,

I Peter 2: 21 - 25

For to this you have been called, because Christ also suffered for you, leaving you an example that you should follow in his footsteps.

“He committed no sin, and no deceit was found in his mouth.”

When he was insulted, he returned no insult; when he suffered, he did not threaten; instead, he handed himself over to the one who judges justly. He himself bore our sins in his body upon the cross, so that, free from sin, we might live for righteousness. By his wounds you have been healed. For you had gone astray like sheep, but you have now returned to the shepherd and guardian of your souls
