“Resurrection People”

We are called to be a resurrection people, but what does that mean? Sacred Scripture tells us that although we were dead to our transgressions, Jesus came to give us new life. In our death, the death of humanity which was the wages of sin, Jesus Christ died. So that in His resurrection from the grave, we too might live.

It is in this way that we are called to be a resurrection people. We are called to no longer live in the way of death, but to embrace the life that Jesus Christ has given us through His own death and resurrection. Sadly, too many people see the resurrection as something that Jesus did, not as the gift that He has given to all who will call upon His name. This mindset leads to the practice of a single day celebration of Easter.

Easter is not a day in the life, rather it is a way of life. We are called to celebrate this life, this resurrection, this salvation, every day of our lives. Therefore, being a resurrection people allows us to live a life of promise, of peace, of hope, and of joy in a world that is filled with disillusion and despair. This life is our journey and Heaven is our destination. Our sins have been forgiven and we have been given a new and eternal lease on life in the presence of our Heavenly Father.

Let us mark the day that our faith began in the resurrection of Jesus Christ. Let us also honor Him in living each day in the celebration that, where He has gone we too are called to follow. Our life is in you Lord, our hope is in you Lord, our strength is in you Lord. We have been transformed from death to life, now we must go out and truly live for glory of God.

Peace and Blessings,

**"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.
